

Best of the Best in Wheat and Soybean Research

Wednesday, February 8, 2023 - Alerus Center, Grand Forks

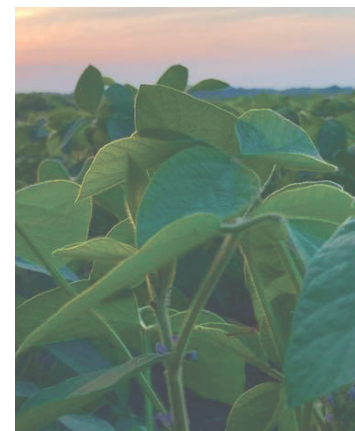

Thursday, February 9, 2023 - Courtyard by Marriott, Moorhead

The University of Minnesota Extension and the North Dakota State University, along with the MN Association of Wheat Growers, MN Wheat Research & Promotion Council, MN Soybean Research & Promotion Council, ND Soybean Council, ND Grain Growers Association, and ND Wheat Commission have joined together to present producers with current research information. In this workshop growers will have the opportunity to learn from researchers and extension specialists.

Meetings are free. Pre-registration is requested.

Register online at www.mnwheat.org and click on Best of the Best or call (218) 253-4311, ext 4 or register.
